Preface

Dear SHARE-members,

Welcome to the new academic year! SHARE offers numerous opportunities to enrich your student life. Faculty Association SHARE, founded in 1983, is affiliated with the Erasmus School of Health Policy and Management, welcoming both bachelor and master students. Throughout the year, SHARE organizes a diverse range of **activities**, including both study-related and social events, such as drinks and trips. Together, we create **lifelong memories**! Additionally, SHARE hosts the annual Health Business Week, our biggest event that allows you to explore **future career possibilities**.

To make all these activities possible, **we need your help**! Each year, the board forms committees that are responsible for organizing their own events. By becoming a committee member, you'll have fun with other SHARE members, forge **new friendships**, and develop your **organizational skills**, an excellent **boost for your CV**!

Joining a committee is **easy to balance** with your studies, requiring just 1 to 2 hours per week. This booklet provides detailed information about the various committees and their roles, so make sure to review it! If you have any questions, feel free to reach out, we're here to help and happy to assist.

Grab this opportunity and join one of our committees! You can sign up for a committee by visiting www.share-fa.com and filling out the online registration form.

The deadline for committee registration is September 13th, 23:59h.

If you have any questions, don't hesitate to reach out to any of us directly or email us at board@share-fa.com.

With kind regards,

The F.T. 42nd board of F.A. SHARE.
